

Project Profile:

Two Story Solid Concrete Home

When: July 2007
Where: West Palm Beach
Crew size: 4 men
Wall Height: 19 feet
Home Size: 4610 sqft
Length of Epic Wall: 246 LF

Who: Majestic Homes, West Palm Beach, FL

Details: Majestic Homes (561-790-3300) builds 2 story homes with solid concrete exterior walls. These walls, by Superior Walls, are 300% stronger than traditional concrete block and are 400% better insulated. The insulation is even made from recycled white polystyrene foam. Builder John George says, "A Majestic Home has the best of hurricane safety and green building practices."
